Philadelphia City Quest

Fall 2026

Play Area

All points are located within the area marked on the map. You can mark points directly on it if that is convenient for you.

Rules

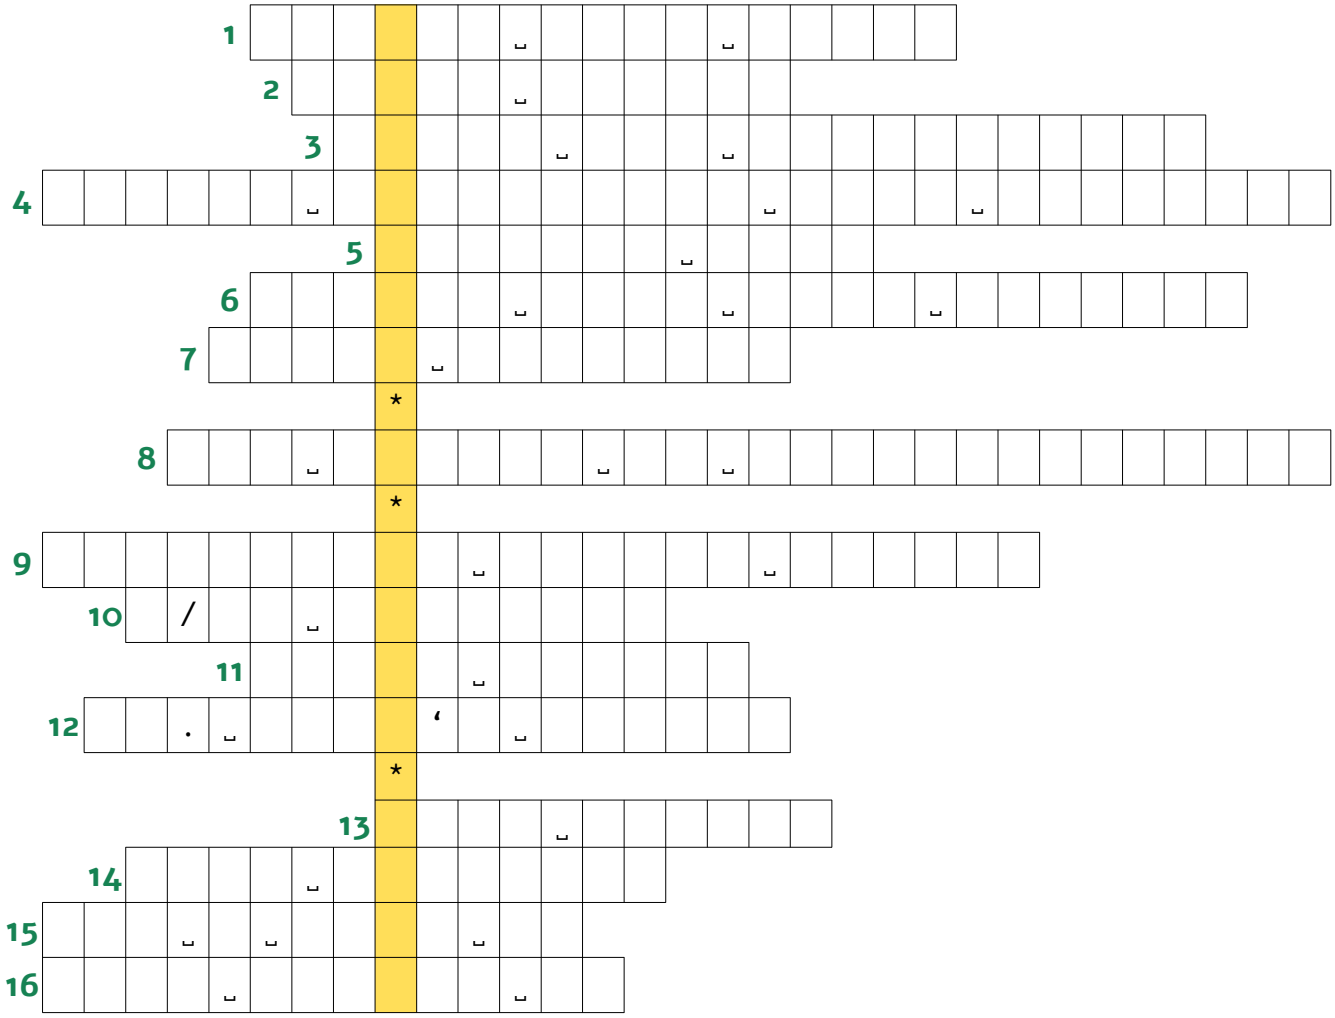

1. Finish at the designated location between 1:00 PM and 3:00 PM (1 pm – 3 pm). To finish, the entire team must be present at the finish line right next to us. The winner is the team that solves the most riddles. Between two teams with the same number of solved riddles, the one that finished faster wins.

2. Please do not use taxis, private cars, bicycles, or similar modes of transportation. It would be unfair to other participants who do not have this option. You may only travel on foot, or SEPTA bus, train or trolley.

3. Keep an eye on the game's WatsApp channel. If anything goes wrong, we will post an update there. If you notice any issues (such as an error in a task or anything else), please let us know immediately.

The Finish Line
